Purpose

To ensure school staff understand their supervision and yard duty responsibilities.

Scope

This policy applies to all teaching and non-teaching staff at Mickleham Secondary College, including education support staff, casual relief teachers and visiting teachers.

Policy

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Mickleham Secondary College's grounds are supervised by school staff from 8.45am until 3.15pm. Outside of these hours, school staff will not be available to supervise students.

Students who wish to attend school outside of these hours will be expected to sign in and out of the General Office via the Compass Kiosk.

Yard duty

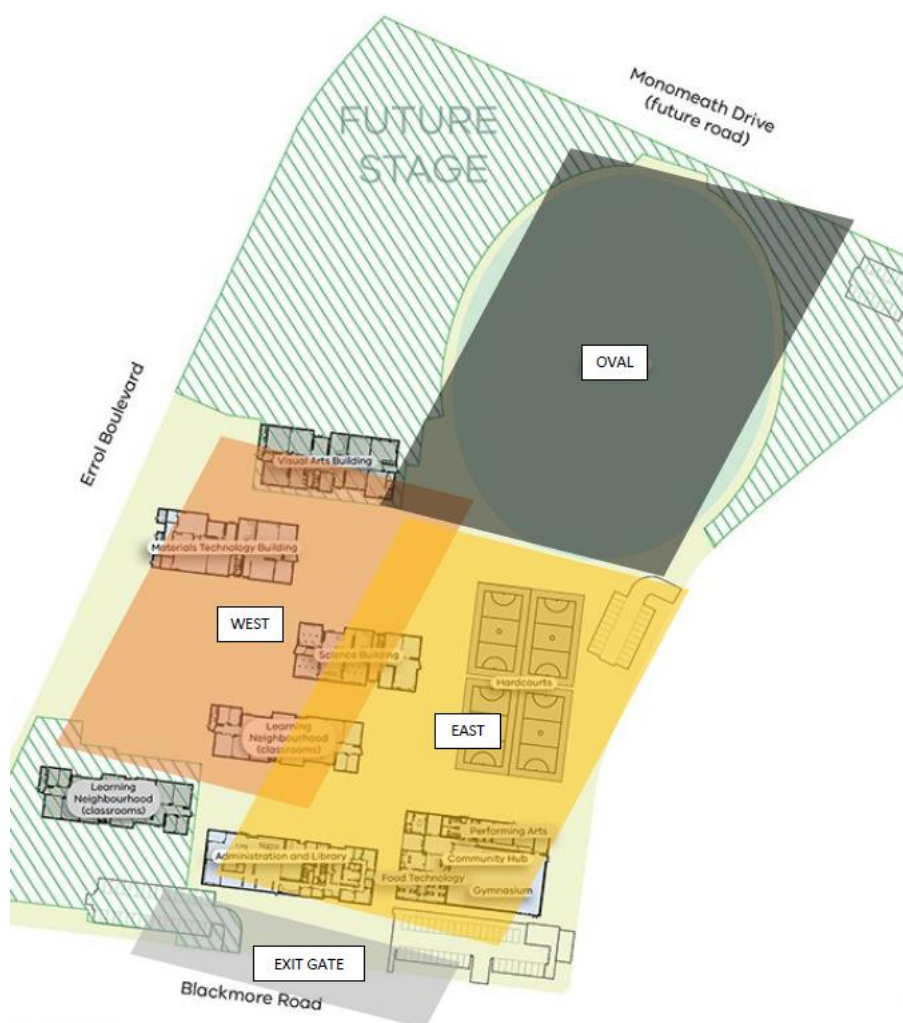

All staff at Mickleham Secondary College are expected to assist with yard duty supervision and will be included in the weekly roster.

The Daily Organiser is responsible for preparing and communicating the yard duty roster on a regular basis. At Mickleham Secondary College, all school staff will be designated a specific yard duty area to supervise.

Yard duty zones

The designated yard duty areas for our school as at Term 1 2023 are:

Zone	Area
Zone 1	Exit Gate
Zone 2	Oval
Zone 3	East
Zone 4	West
Zone 5	Canteen (not yet required)

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be available in every staff office.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in each staff office.

- be familiar with the student health information containing student health and anaphylaxis information stored in each staff office and the General Office.

Yard duty equipment such as first aid bags must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Wellbeing and Engagement Policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate (health and safety issues through EduSafe Plus, other incidents through Compass).

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Daily Organiser with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Daily Organiser but should not leave the designated area until the relieving staff member has arrived in the designated area.

- If the relieving staff member does not arrive for yard duty, the staff member currently on duty should contact the Daily Organiser and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the General Office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training Excursions Policy.

Digital devices and virtual classroom

Mickleham Secondary College follows the Department's Cybersafety and Responsible Use of Technologies Policy with respect to supervision of students using digital devices.

Mickleham Secondary College will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in the library or specified areas within each learning hub.

In a situation where there is need for any students to participate in remote and virtual learning from home. While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored for each class
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Workplace learning programs

When students are participating in workplace learning programs, such as work experience, school-based apprenticeships and traineeships, and structured workplace learning, the safety and welfare of the student is paramount. Organising staff are required to follow all applicable Department of Education and Training policies and guidelines in relation to off-site learning, including policy and guidelines on the safety and wellbeing of students. Refer to:

- Structured Workplace Learning
- School Based Apprenticeships and Traineeships
- Work Experience
- School Community Work

Independent Study

Year 12 students only will have one study block a week. This will be timetabled as a formal 'study session' where supervision and support will be provided, and attendance will be recorded by the supervising staff member. Students will not be permitted to leave school grounds during these sessions.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Communication

This policy will be communicated to our school community in the following ways:

- included in staff induction processes
- discussed at staff briefings or meetings, as required
- included in our staff handbook
- made available in hard copy from General Office upon request.
